From (Name) G.S.White Esquire (Solicitor).

(Designation) Registrar in charge, High Court

To The Secretary to the Government of Madras,

Law(General) Department
(with enclosure)

Sir,

Court-Civil-Additional Sub Judge, Mangalore-continuance for 1 year from 1-12-1929-recommended.
Reference: G.O.No.3984 Mis. Law(General) dated 22-11-1928.

I am directed to state that the Hon'ble the Judges recommend the retention of the appointment of Additional Sub Judge, Mangalore with his establishment for a period of one year rrom 1-12-1929.

2. The total pendencies on the files of the District Court and the Sub Court, Mangalore, on 20-7-1928 and on 15-10-1928 were as shown below:-

Original suits	Appeals	Small Cause suits
143	970	131
163	879	305

Though there is a reduction in the pendency of appeals, the arrears of Original and Small Cause suit

have increased. The present pendency on the file of the Sub Court alone is 153. Original suits (of which 55 are more than a year old), 312 appeals (all of them are more than 6 months old) and 305 Small Cause suits (of which 73 are more than 3 months old) besides 36 Insolvency Petitions and 225 miscellaneous Petitions and Original Petitions. 224 Execution Petitions. The total annual standard outturn fixed for the District Judge and the two Sub Judges at Mangalore is 126 Original suits and 719 appeals. On this basis, the present pendency of 163 Original suits and 379 appeals alone, irrespective of subsequent institutions, is enough to provide sufficient work for all of them for more than a year. Further the District Judge reports that a number of Insolvency petitions pending before the Principal Sub Judge, Mangalore would take as much time as a regular suit. He adds that as 12 Sessions Cases are still pending with him, there will not be much time left for him to attend to Civil work till the end of the Current year. In the circumstances, the continuance of the Additional Sub Judge, Mangalore with his establishment, for a year from 1-12-1929 is considered necessary. I am therefore to request that the Government may be pleased to issue orders accordingly at an early date.

3. Necessary provision has been made in the budget estimates of this year and of next year for the retention of the Additional Sub Judge and his establishment.

4. A statement showing the institutions, disposals and pendency in the several branches of work in the Superior Courts in the district during 1928 and the 1st three quarters of 1929 is enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

Registrar in charge

SK RK 11. XI. 29

Additional Sub-Judge, Managalore. Retention.

C.No. 5303 B From the Regr.High Court, R.O.C.No. 4341 /29D2 dated 11-11-1929

...

A.S.

The Honourable the Judges recommend the retention of the appointment of Additional Sub-judge, Mangalore for one year from 1-12-1929. It is submitted that even at the time the appointment was sanctioned last year it was expected that the then existing arrears would give sufficient work for an additional sub-judge for about two years - vide portion 'A' on page 9 of G.O.No. 3934 L.G.d. 22-11-1928. In 1923 110 Ordinary suits, 324 Small Cause suits and 444 Civil Appeals were instituted in the district court and the sub-court at Managalore. The standard outturn fixed for the District Judge and the Principal Sub-judge is as follows : --

	O.S.	S.C.	C.A.
District Judge	5	nil	313
Principal sub-judge	72	823	156
Total	**77**	**823**	**469**

It will be seen that the current institutions will occupy the District Judge and the Principal Sub-judge throughout the year

On 15-10-1929 there was a pendancy of 163 O.S., 879 A.S. and 305 Small Causes. It is therefore necessary that the appointment of Additional Subjudge Mangalore should be retained if the arrears are to be cleared. The High Court has called for the explanation of the District Judge, South Kanara. in regard to his poor outturn during 1928. In the draft order reviewing the statistics of civil courts for 1928, the High Court is being asked to forward the explanation with its remarks. A draft order accepting the High Court's proposal is submitted

It may issue with the concurrence of Finance.
